Personal Technology Contract 2024-25 School Year

Technology can be a wonderful convenience for students. All PCA students and their parents are asked to sign a personal technology contract, outlining the guidelines below:

- Cell phones, IPODS, IPADS, tablets, MP3 players, smart watches and other such devices are not to be used on school grounds by students unless the student has received permission from the teacher and uses them in teacher-designated areas during designated times.
- Phones and smart watches will generally be collected by the teacher, to be held during the school day. They will be returned at the end of the day, so students can call parents, and get messages at dismissal time.
- Cell phones or smart watches that are not turned in at the beginning of the school day will be held by the teacher until they can be picked up by the parent.
- If a student continues to abuse the privilege of having one of these devices at school he/she may be asked to leave it at home or it will be confiscated for a period of time decided by the teacher and/or principal.
- The school cannot be responsible for lost, damaged, or stolen items.
- Abuse of the above privileges will result in further disciplinary action.
